Annual Multi-Society Dinner Meeting Monday, December 9, 2013

at the
DoubleTree by Hilton Philadelphia
Broad and Locust St, Philadelphia, PA

Join the Engineers' Club and our partner societies at the annual **Multi-Society Dinner Meeting**. This is a good opportunity to kick off the holiday season by networking with engineers and other professionals that you might not normally see at your society meetings.

The topic for the evening will be the US Open at Merion, with a discussion of the myriad of issues related to holding a major golf tournament at an older, smaller course surrounded by a residential area and limited roadway access.

Once again, CMAA will be coordinating a Toys for Tots collection with the Marine Toys for Tots Foundation. Bring an UNWRAPPED toy to brighten a child's holiday.
